OPPORTUNITY TO OBJECT
Green-Horse Habitat Restoration & Maintenance Project
Shasta-Trinity National Forest

The Final Environmental Impact Statement (FEIS) for the Green-Horse Habitat Restoration & Maintenance Project has been completed, and the Responsible Official, Forest Supervisor David R. Myers, prepared a draft Record of Decision (ROD). The project is located within the Shasta Lake Ranger District/National Recreation Management Unit. The project would treat approximately 41,836 acres of vegetation. Treatment methods include prescribed broadcast burning or underburning; and hand thinning and pruning of small trees and brush, followed by hand piling and pile burning or underburning. In addition, approximately 4.61 miles (or 4 acres) of dozer fireline construction or reconstruction are proposed in order to facilitate prescribed fire activities. This alternative includes a project-level Forest Plan amendment to allow reduction of dead and down material requirements in specific areas where current Forest Plan direction conflicts with both the desired fuel levels and the capacity of those areas to meet Forest Plan standards. The FEIS and draft ROD are available for review at the Shasta Lake Ranger Station, 14225 Holiday Road, Redding, CA 96003; or, online at: <http://www.fs.usda.gov/projects/stnf/landmanagement/projects>.

This proposed project is subject to objection pursuant to 36 CFR 218, Subparts A and B. Objections will only be accepted from those who submitted timely, project-specific written comments during scoping or other designated comment period. Issues raised in objections must be based on previously submitted comments unless based on new information arising after the designated comment period(s).

Objections, including attachments, must be submitted within 45 days following the publication of this legal notice in the Redding Record Searchlight. The publication date of this legal notice is the exclusive means for calculating the time to file an objection. Those wishing to object should not rely upon dates or timeframes provided by any other source. It is the objector's responsibility to ensure evidence of timely receipt (36 CFR 218.9).

Objections must be submitted to the reviewing officer: Randy Moore, Regional Forester, USDA Forest Service, Attn: Green-Horse Project, 1323 Club Drive, Vallejo, CA 94592; (fax) 707-562-9229. Objections may be submitted via mail, fax or hand-delivered during business hours (M-F 8:00am to 4:00pm). Electronic objections, in common (.doc, .pdf, .rtf, .txt) formats, may be submitted to: objections-pacificsouthwest-regional-office@fs.fed.us with Subject: Green-Horse Project.

Objections must include (36 CFR 218.8(d)): 1) name, address and telephone; 2) signature or other verification of authorship; 3) identify a single lead objector when applicable; 4) project name, Responsible Official name and title, and name of affected National Forest(s) and/or Ranger District(s); 5) reasons for, and suggested remedies to resolve your objections; and, 6) description of the connection between your objections and your prior comments. Incorporate documents by reference only as provided for at 36 CFR 218.8(b).

For additional information, contact Jason Fallon, at the Shasta Lake Ranger Station; or call (530) 275-1587.
